DETAILED DESCRIPTION OF HEALTHY PROSTATE FORMULA:

HEALTHY PROSTATE FORMULA

The supplements are a combination of natural herbs, vitamins and minerals that help alleviate symptoms and risks related to benign prostatic hyperplasia (enlarged prostate). Healthy Prostate helps alleviate symptoms such as: urinary hesitancy, nocturia, incontinence, urinary retention, pain or burning sensation during urination or ejaculation, and pain or stiffness in the lower back, hips or upper thighs.

Healthy Prostate Formula is packaged in blue PETE bottles of 150 tablets with a black child resistant cap and silver foil label with blue print. The supplements are in the form of tablets of which five tablets daily are to be taken orally.

A handwritten signature in cursive ink, appearing to read "Giovina DiMatteo Leggio".
